Dear Parents/Guardians,

The Middle School Counseling Department is continuing to offer in person and virtual opportunities for students to participate in small counseling groups. These group sessions will discuss a variety of topics and take place during students' lunch, study skills or music period. The sessions will be held once a week for six to eight weeks. All students are welcome to participate, including those who have previously participated in group counseling sessions as well as students new to group counseling sessions. Be advised participation in group counseling sessions is not mandatory.

If your child is interested in joining one of our groups, please click [here](#) to complete the required permission form.

Please let us know if you have any questions.

Sincerely,

Mrs. Pontidis and Ms. Spataro,
Middle School Guidance Counselors
